ENGINEERING STUDENT SUCCESS CENTER EVENTS:
All students are welcome to attend.
More information can be found at https://ess.unm.edu/events or through our web app (succESS)

THIS WEEK:

- Lab Safety Series
  Join us for a 3 part series that will prepare you for lab work, or make you a more valuable lab mate. Attend, one, two, or all three*.
  - What: Lab Safety Series
• **When:** Every other Tuesday from 3:30 - 4:30 PM.
• **Where:** Virtual via Zoom ([https://unm.zoom.us/j/94545196176](https://unm.zoom.us/j/94545196176))
• **Topics** (Attend all 3 and earn a Lab Safety Certificate from Environmental Health & Safety):
  o **10/25/22:** Part 2 - Hierarchy of Controls & Basics of PPE
• **Partners/Presenters:** Environmental Health & Safety

  RSVP's via [https://ess.unm.edu/events](https://ess.unm.edu/events) or through our succESS web app ([https://success.unm.edu/events](https://success.unm.edu/events)). RSVP is preferred but not required. RSVP will get you week before and day before email reminders. RSVP for EACH desired session.

**ACED Tech Skills Sessions:** *Title: My Educational and Career Path* - Advisory Council for Engineering Development (ACED) was created to help UNM students gain quality, industry-level soft skills training and vital work skills that were not observed to be formally taught in the current UNM SoE curriculum. Read more at our ACED web page.

  o **What:** Career and Professional Development Event

  o **When:** Saturday, October 29, 2022. 9 - 11 AM MST

  o **Where:** Zoom [https://unm.zoom.us/j/97377022577](https://unm.zoom.us/j/97377022577)

  o **Partners/Presenters:** UNM Engineering alumnus
NEW ANNOUNCEMENTS:

- **Curia Global Tabling Event**
  - **What:** Career and Professional Development Event
  - **When:** Wednesday, November 9, 2022. 10 AM - 2 PM.
  - **Where:** UNM Centennial Engineering Center 1st Floor.
  - **More info:** Curia Global is recruiting new talent and will be holding a tabling event. ME, ChemE, BME, and CS majors are encouraged to stop by and talk to them about internship and career opportunities they have available. Bring your resumés.
Financial Fundamentals - Learn how to create and stick to a budget, overcome common money pitfalls, eliminate student debt fast, and set yourself up for financial success.

- **What:** 1st & 2nd Year Student Event Series
- **When:** Monday, November 28, 2022. 5 - 6 PM.
- **Where:** Synchronous In-Person (encouraged but space is limited; in the ESS suite (CEC 2080)) and Virtual via Zoom (https://goto.unm.edu/esszoom)
- **Partners/Presenters:** The Center for Financial Capability
**Next Week:**

- **CAD Basics** - an introductory hands-on workshop. Learn the essentials and standard practices for optimal organization and functionality of CAD modeling within Autodesk Fusion 360. These skills are transferable to other CAD software.
  - **What:** [1st & 2nd Year Student Event Series](https://ess.unm.edu/events > November)
  - **When:** Tuesday, November 1, 2022. 4 - 7 PM.
  - **Where:** ESS suite Computer Lab - [CENT 2080](https://ess.unm.edu/esszoom)
  - **Presenters:** Adan Martinez
Google information session

Engineering and Computer Science students are invited to attend an Information Session hosted by Google. Join us to learn about Job & Internship opportunities available at Google.

- **When:** November 4, 2022 from 12noon -2pm  
- **Where:** Cent. Stamm room (1044)  
- **More Info:** Learn about internships and future career opportunities

  - Interested in applying? Upload your resume to [https://careers.google.com/students/](https://careers.google.com/students/)

- **Engineering Education Postdoc Opportunity**
A multidisciplinary research team at New Mexico State University is searching for a postdoctoral scholar to work with researchers from the Department of Sociology and College of Engineering at NMSU main campus in Las Cruces to conduct research funded by a NSF Improving Undergraduate STEM Education (IUSE): HSI grant (NSF #1953466). The purpose of the grant is to evaluate the impacts of andragogical (adult, self-directed learning) methods and experiential learning on the academic and early career success of low-income and first-generation undergraduate engineering students.

Research duties will include
- conducting relevant literature reviews
- development, implementation, and analysis of quantitative longitudinal surveys and qualitative research to evaluate the impact of the e3 Initiative activities.
- mentoring of a graduate research assistant
- preparation of manuscripts for publication in peer-reviewed journals
- preparation of materials for proposals, reports and presentations

The postdoctoral researcher will also engage in professional development activities as outlined in the NSF postdoctoral mentoring plan, including development of a work assessment plan, participation in teaching and research method workshops and seminars, participation in weekly research group meetings, and networking with visiting faculty/scholars. A PhD in engineering education, STEM education, sociology or related field and good verbal and written skills in English are required. Target start date is January 17th, 2023. Duration is one year. To receive full consideration please submit application materials by the November 1st posting deadline. For more details and to apply please go to https://jobs.nmsu.edu/postings/48143. Applicants who have questions related to the research project are welcome to contact Dr. Sandra Way at sway@nmsu.edu.

NMSU is a Hispanic Serving Institution and equal opportunity and affirmative action employer committed to assembling a diverse, broadly trained faculty and staff. Women, minorities, people with disabilities, and veterans are strongly encouraged to apply

- **Summer 2023 Research Internships with Department of Homeland Security**
  All qualifying information and application guidelines are enclosed in the flyer. The deadline is 9 December, 2022 at 11:59pm EST. If you prefer a PDF version, reach out to Yadéeh (yadeeh@unm.edu).
**Job Opportunity with MLK Commission**

The Martin Luther King, Jr. Commission is a state agency created by the legislature of the State of New Mexico, pursuant to NMSA 1978, 28-19-1 through-4 (1991). Enacted by the legislature of the State of New Mexico in 1991, the New Mexico Martin Luther King, Jr. Commission was created to develop, promote, coordinate and review statewide plans and activities for the annual commemorations and celebrations of the birthday of Dr. Martin Luther King, Jr.

We are searching for a talented and professional community outreach coordinator to maintain all community outreach activities. You will represent the commission and work with the management team to develop and implement initiatives that increase the commission’s visibility both statewide and nationally.

You should be self-motivated, enthusiastic, and community-driven to take on this exciting role. This position requires someone equipped with a positive attitude and readiness to be a team player.

- **Graduate Support at CTL Workshops**
• **Free confidential counseling**
  The UNM Counseling Program is excited to be offering free confidential counseling for children, adolescents, adults, couples, and families this semester on our UNM main campus clinic. This center is a training center for our advanced graduate students under supervision from our amazing UNM faculty and licensed professional counselors. These sessions will last 50 minutes and allow clients to be seen each week throughout the Fall semester. These sessions will be video recorded for supervision purposes and stored in a secure HIPAA compliant space. Appointments are available on Monday, Tuesday, and Wednesday all the way until 7 pm.

  Please call us at 505-277-7311 to complete a brief telephone screening to determine that our services are best for you. We look forward to hearing from you soon!

• **Food insecurity comes in many forms and impacts all aspects of your life**
  ~30-40% of UNM students are housing/food insecure, and ~50% are first generation.

  Please make sure you utilize the available resources like the Lobo Food Pantry and Student Guide tab resources: [http://goweb.unm.edu/studentguide/](http://goweb.unm.edu/studentguide/).
• **Museum of Southwestern Biology (MSB) Nature Walks - Fridays at Noon**

This fall members of the Museum of Southwestern Biology (MSB) will be leading a weekly on-campus nature walk mid-day on Fridays. These walks are intended to share understanding and appreciation of the natural world even in our urban setting. These events will also promote involvement in community science through documentation of the plants, fungi, animals, algae, and all else we observe. MSB Nature Walks are informal, and open to the entire UNM community, with each walk led by a volunteer leader from the MSB. We will meet at the bridge at the **UNM Duck Pond on Fridays at 12:00pm each week** that campus is open. These events are open to anyone interested - students, faculty, staff, family, friends, retirees - all are welcome!
