THIS WEEK:

Welcome to the Fall 2021 Semester!
Join us at the UNM Communities Day (8/25)
https://sac.unm.edu/events/welcome-back-days.html
• **ACED Tech Skills Sessions: Six Ways to Make People Like** You - Advisory Council for Engineering Development (ACED) was created to help UNM students gain quality, industry-level soft skills training and vital work skills that were not observed to be formally taught in the current UNM SoE curriculum. Read more at [our ACED web page](https://ess.unm.edu/events/).  
**When:** Saturday, August 28, 2021. 9-11 AM.  
**Where:** via Zoom ([https://unm.zoom.us/j/97377022577](https://unm.zoom.us/j/97377022577)).  
**Partners/Presenters:** UNM Engineering alumna Tennille Bernard.

**RSVP** is preferred but not required via [ess.unm.edu/events](https://ess.unm.edu/events)…or our app ([success.unm.edu](https://success.unm.edu))
NEW ANNOUNCEMENTS:

- **Intel Information Session**
  Come and visit with Intel Engineers and UNM Alumni to learn more about Intel NM and career opportunities. Bring your questions, resume, and a little extra time to chat with Intel recruiters.
  **When:** Wednesday, September 1, 2021. 10 AM - 4 PM.
  **Where:** UNM Centennial Engineering Center, 1st floor.

  **RSVP** is preferred but not required via [ess.unm.edu/events](http://ess.unm.edu/events)…or our app ([success.unm.edu](http://success.unm.edu))
Spatial Visualization Session #1 - Orthographic Views - Here students learn how to create two-dimensional representations of three-dimensional objects by utilizing orthographic projection techniques. In a four-station workshop structure, students rotate through different group-oriented activities that call on various learning styles to solidify the concept.

**When:** Monday, September 20, 2021. 4 - 6 PM.

**Where:** The ESS Computer Pod in the ESS suite (CEC 2080)

**More info:**
- Attend, 1, 2 or all 3 of this 3 session series
  - Session #1: Orthographic Views - September 20
  - Session #2: Isometric Drawing - October 25
  - Session #3: One-Axis Rotations - November 16

Priority is given to 1st semester female, Black, or Native American students. Other students are encouraged to RSVP for the waitlist.

**RSVP is REQUIRED** via [ess.unm.edu/events](http://ess.unm.edu/events)...or our app ([success.unm.edu](http://success.unm.edu))
**Lab safety matters!** - Join us for a 3 part series that will prepare you for lab work, or make you a more valuable lab mate. Attend, one, two, or all three*.

**When:** Every other Tuesday from 3:30 - 4:30 pm.

**Where:** Virtual via Zoom ([https://unm.zoom.us/j/94545196176](https://unm.zoom.us/j/94545196176))

**Topics** (Attend all 3 and earn a Lab Safety Certificate from UNM's Environmental Health & Safety Department):

- **8/31 or 10/12:** Part 1 - Hazard Communication in the Laboratory & Hazardous Waste Management
- **9/14 or 10/26:** Part 2 - Hierarchy of Hazard Control & PPE
- **9/28 or 11/9:** Part 3 - Hazard Evaluation and Heuristics

**Partners/Presenters:** Environmental Health & Safety

RSVP is preferred but not required via ess.unm.edu/events...or our app (success.unm.edu)
COMING UP:

- **Building Connection & Networking**
  
  **When:** Thursday, September 2, 2021. 5 - 6 PM.
  
  **Where:** Synchronous In-Person *(highly encouraged)*; in the ESS suit (CEC 2080) and Virtual via Zoom ([https://unm.zoom.us/j/91793510710](https://unm.zoom.us/j/91793510710))

  **Partners/Presenters:** Jasmine Del Campo with [Sandia National Labs](https://www.sandia.gov)

  Jasmine Del Campo an Organizational Development Professional with Sandia National Laboratories. Jasmine has 15 years of leadership experience supporting current and future leaders of Fortune 500 companies to understand the importance of leading through effective communication. Jasmine specializes in bringing people together to increase team efficiencies and collaboration. Jasmine believes that it is possible to work hard and enjoy work when you find your purpose and help others. Jasmine is inspired by her family and in her free time she enjoys watching funny videos with her daughter.

  **More info:** Have you ever wanted to learn specific strategies on how to communicate with others virtually and in-person to predict your success in the workplace? Your effectiveness as a professional highly depends on the professional relationships you develop with other people in the workplace. Through the Building Connection & Networking Session you will discover what others value to develop strong business partnerships inside and outside your organization. During this event you will receive tips on how to communicate with others including in the new virtual environment. Learn how to receive and provide advice to business partners for ongoing learning and development.

  **RSVP** is preferred but not required via [ess.unm.edu/events](https://ess.unm.edu/events)...or our app ([success.unm.edu](https://success.unm.edu))
Join our Semester Long Programs!
Deadline: September 5.
You MUST attend an orientation session prior to the deadline date. Dates/times of the sessions are listed in the interest form for each program. Priority is given to Freshmen and Sophomores, but all School of Engineering (or potential SoE) students are encouraged to join. No GPA or citizenship requirements, either!
  o Mentoring (https://ess.unm.edu/programs/current-students/mentoring-programs/index.html):
    ▪ Be a mentor
    ▪ Get a STEM Professional as a mentor
  o Gain research experience (https://ess.unm.edu/programs/current-students/research-programs/index.html)
• Interviewing Basics
  **When:** Tuesday, September 7, 2021. 4 - 5 PM.
  **Where:** Synchronous In-Person (highly encouraged; in the ESS suit (CEC 2080)) and Virtual via Zoom (https://unm.zoom.us/j/91793510710)
  **Partners/Presenters:** ESS's very own - Nada Abdelhack

  RSVP is preferred but not required via ess.unm.edu/events...or our app (success.unm.edu)
• **STEM Mixer** - Come network with others interested in STEM. This event is open to all UNM students, as well as UNM Staff and faculty, along with NM STEM Professionals.

  **When:** Friday, September 10, 2021. 3:30 - 5:30 pm.
  **Where:** Centennial Engineering Center - STAMM Room (1044) & the adjacent courtyard
  **More info:** Have **THESE** Ice Breaker questions ready to help get the conversation flowing.

  **How to Go From Small talk to Meaningful Conversation**...in a comfortable and natural way. Follow your curiosity. Think of dialog as exponential, break past the barrier of “boxes” within 3 layers deep. Don’t bounce from topic to topic, but dive deeper within a single topic. The topic of conversation does not matter, it should be focused on the process of the conversation. And, listen (intentionally)! Not just to words, but actions. Reflect on what others share. And, with this, it is ok to stretch outside your comfort zone.

  **RSVP** is preferred but not required via [ess.unm.edu/events](http://ess.unm.edu/events)...or our app ([success.unm.edu](http://success.unm.edu))
• **School of Engineering Open House**
  
  **When:** Saturday’s this fall from 11 AM - 2 PM.
  **Where:** Centennial Engineering Center (210 University Blvd. NE, Albuquerque; Bldg 112)

  **Departmental Showcases:**
  - 9/11: Mechanical Engineering
  - 9/18: Computer Science
  - 10/2: Nuclear Engineering
  - 10/9: Electrical & Computer Engineering
  - 10/16: Civil, Construction & Environmental Engineering
  - 10/30: Chemical & Biological Engineering

  **More info:** Lab tours, campus tours, giveaways, and information sessions.

  **Pre-Registration REQUIRED.** Limited Capacity. Register [HERE](goto.unm.edu/openhouse21).

  For questions, contact Toby Tafoya at (505) 277-1417 or [tobyago@unm.edu](mailto:tobyago@unm.edu).
Reminders:

- **Read all about Mari Aoki (athlete) our newest showcased student**
  [https://ess.unm.edu/resources/showcases/index.html](https://ess.unm.edu/resources/showcases/index.html)

  *There is more to our students than just their technical interests. And, the more outside interests and experiences one has, including the arts and creative thinking, the better! Engineering and computing makes one’s other interests stronger, and those other interests enhance one’s engineering and computer science knowledge and ability.*

- **Check out our ESS Resource pages!**

Sandia National Laboratories Distinguished Fellowships for 2022
Sandia National Laboratories is seeking candidates for our two Distinguished Postdoctoral Fellowships in National Security Science and Engineering. These fellowships are three-year appointments that allow recipients to pursue independent research that supports Sandia's national security mission. We ask that you encourage your top PhD students in science or engineering to apply. Please share this information with those students, deans, department chairs, faculty, research center directors, graduate studies offices, fellowship offices, and professional societies.

For questions, please contact the Hruby Fellowship Team at HrubyFellowship@sandia.gov or the Truman Fellowship Team at TrumanFellowship@sandia.gov.

UNM Events/News

Effective Monday, August 2, 2021, UNM will require masks to be worn indoors by all individuals, vaccinated and unvaccinated, at all locations on the UNM Albuquerque, Taos, and Valencia campuses, as well as our regional site in Sandoval County. Masks must be worn in any indoor group setting, including classrooms.

UNM’s Mandatory Vaccination Requirement for all Lobo students, staff, & faculty …by no later than Thursday, September 30, 2021.
Our mandatory vaccination policy applies to all UNM personnel and students who access UNM facilities, housing, programs, services, and activities located on the Main Campus and Academic Health Sciences Campus in Albuquerque and the Branch Campuses at Gallup, Los Alamos, Taos, and Valencia. Campus facilities include, but are not limited to, office buildings, libraries, classrooms, dormitories, research laboratories, dining facilities, student centers, athletics facilities, entertainment venues, gymnasiums and university buses and shuttles. This policy does not apply to employees of UNM Hospitals, UNM Medical Group and the Sandoval Regional Medical Center, as these UNM entities have specific policies pertaining to their employees and facilities.

- **Syllabus Day with AASS**
  Get a free planner. 8.24.21 all day while supplies last.

- **AASS Welcome Back BBQ**
  Aug 26, 5 PM in the Mesa Vista Courtyard

- **Undergraduate Scholarships & Research Opportunities: NM Alliance for Minority Participation**
  Welcome back to campus! Join many successful UNM STEM majors preparing for a future in STEM, including graduate school. The New Mexico Alliance for Minority Participation (NM AMP) provides research and scholarship opportunities for program-eligible students through three programs this fall: Book Scholarships, STEM Prep for early majors, and the Undergraduate Research Scholarships (URS). New Mexico AMP is funded by the National Science Foundation, and for this program NSF defines eligibility in terms of declared majors and student minority status (Biology, Chemistry, Physics/Astronomy, Earth & Planetary Science, Environmental Science, Engineering (all...
majors), Math & Statistics; students from under-represented groups including Hispanic, Black, Native American, Pacific Islanders). Please see the website link for more details. The attached flyers describe all three opportunities:

AMP Book Scholarship, AMP STEM Prep Scholarship, and the Undergraduate Research Scholarship. For the research scholarship, you will need to identify a mentor and short project description, so meet with (email or zoom) a prospective research mentor and get something going! There will be online presentation opportunities, assistance with grad school preparation, and more!

The state website is hosted by NMSU, but of course UNM students are eligible: Book Scholarship Link: https://nmamp.nmsu.edu/applications/book.html
PREP Scholarship Link: https://nmamp.nmsu.edu/applications/stem_prep.html
Undergraduate Research Scholarship (URS) Link: https://nmamp.nmsu.edu/applications/urs.html
Deadline is August 27th!!

If you have questions, send Dr. Laura Crossey an email at lcrossey@unm.edu

- **Upcoming Technology Courses from UNM Continuing Education**

  Learn In-Demand Technology Skills! Strong technical skills in IT are essential in today’s changing world and if you proactively and consistently enhance your IT skills, you will improve both your personal and professional life.

  Please note: most of our upcoming tech courses will be offered in a live online, instructor-led format.

  *Bootcamp GIS*: Gain a competitive edge in a multi-billion dollar industry. Learn how to create a data workflow, create a map dashboard, or set up a data repository on AWS.

  *The Big Data Engineering*: The Big Data Engineering Program prepares students for an entry-level position as a data engineer, Python programmer, or business intelligence developer.

  View all Technology Courses from UNM Cont. Ed [HERE](#).

• **Student Equipment Loaner Program**  
The Governor's Emergency Education Relief (GEER) program awarded funding to the University of New Mexico and the Health Sciences Center (HSC) to assist HSC students with navigating through the remote learning environment. These funds at the HSC are being used to establish an equipment loaner program to ensure student success during remote learning.

Qualifying students can apply for various items to ensure their success in the remote environment. Because of the limited funding there is limited availability and they will be loaned on a first come first served basis. This is a loaner program and all equipment remain the property of the University and equipment checkout forms will be completed by each student.

The equipment available to loan:

- Laptop
- Hotspot
- Web cam with mic
- Laptop/hotspot combo

The program is only for HSC students in line with the GEER grant guidelines. Questions about the program can be directed to HSC-CIO-Notices@salud.unm.edu.

For those interested in obtaining loaner equipment, please submit requests here with the following instructions: On the first page, enter your HSC email address and click login, which re-directs you to the HSC login page where you enter your HSC NetID and password.

Repeat/Continuous Opportunities

- **Join UNM's Math Directed Reading Program.**
  The Math DRP is a UNM student organization since Spring 2021, which pairs interested undergraduates and graduate students for independent study projects. Undergrads and math grad students will work through a math book or paper together over the course of a semester, culminating in presentations from the undergraduate on a fun thing they learned. In select cases, undergrads maybe able to conduct research with the grads.
  Our goal is to enable motivated undergraduates to engage with math in more depth and breadth than a classroom setting typically allows, and to foster a tight-knit mathematically community at UNM.
