Engineering Student Success Center Events:

All students are welcome to attend.

More information can be found at [https://ess.unm.edu/events](https://ess.unm.edu/events) or through our web app (succESS).

This Week:

- **Delivering Presentations**: Do you get nervous about presenting or do you want to know how to prepare to effectively deliver your oral or poster presentation? Attend this interactive workshop to learn about what it takes to orally deliver both oral and poster presentations effectively and with confidence. This session will help presenters in the personal preparation, comfort with presenting, and the constructive feedback process.
  - **What**: Making Better Presentations Series
  - **When**: Tuesday, October 24, 2023, 12:30 - 1:30 PM - PIZZA INCLUDED!
  - **Where**: Synchronous in-person (Centennial Science and Engineering Library (CSEL) - DEN 2) and virtual via Zoom ([https://goto.unm.edu/esszoom](https://goto.unm.edu/esszoom))
  - **Partners/Presenters**: ESS’s very own Yadéeh Sawyer
  - **More info**: [FLYER](#)
  - Check September above for additional topics in this series.
RSVP ([HERE](https://outlook.office.com/mail/inbox/id/AAQkADJiYjc0NTFmLTY0MWEtNGQ5NC1hZjFiMlY0NTI5LTY0NjQ2ZjgwZjcxMwAQACL0AzQYo0Zhh%2FtuU%2Bxl)) is encouraged (helps us have a good head-count for the food) but not required.

One-Axis and Two-Axis Rotations - In this workshop, students learn about 1) one-axis rotations with a focus on how to rotate objects physically and mentally. They begin by building an object with cube blocks, defining a one-axis rotation, and then drawing the isometric views of the object before and after the rotation. And, 2) two-axis rotations with a specific emphasis on how to rotate objects both physically and mentally about two axes.

- **What:** Spatial Visualization Series
- **When:** Wednesday, October 25, 2023. 4 - 5 PM.
- **Where:** In-person only - in the ESS suite Computer Pod - **CENT 2080**
- **RSVP ([HERE](https://outlook.office.com/mail/inbox/id/AAQkADJiYjc0NTFmLTY0MWEtNGQ5NC1hZjFiMlY0NTI5LTY0NjQ2ZjgwZjcxMwAQACL0AzQYo0Zhh%2FtuU%2Bxl)) is preferred but not required. RSVP will get you a calendar invite, and a week before and day before email reminder.
Spatial Visualization Series

Attend 1, 2, or all 3
- **Sept 27.** Orthographic Views & Isometric Drawings and Coded Plans
- **Oct 25.** One-Axis Rotations & Two-Axis Rotations
- **Nov 15.** Inclined Planes and Curved Surfaces, Reflections and Symmetry, & Write a Rule

Select Wednesdays, 4 - 5 PM
In the ESS Computer Pod - CENT 2080

Learn more or RSVP (preferred but not required) at

NEW ANNOUNCEMENTS:
Food for Thought: Setbacks - Comebacks

And, check this out hosted on our Student Showcases, which you can be on, too!

EPICS@UNM (now SoE UNITY) – Spring hands-on course
Need a tech elective class for the Spring semester? SoE UNITY (prev. EPICS@UNM) can be just that!

And, better yet... Do you want to GIVE BACK to the community, EARN CREDIT, and GAIN RESEARCH EXPERIENCE all at the same time?!

If you said “YES,” then join EPICS @ UNM Course/Program for Spring 2023.

Check out our website for more information. https://goto.unm.edu/epics. We have some exciting projects in the works, too, they just aren’t updated on the website yet. And, feel free to email (epics@unm.edu) or call (505-277-9151) me with any questions. I hope you consider joining.

But, to summarize a bit here:
This is a 1 semester commitment that helps you get that hands-on research experience from the inception of an idea through the execution of the design. All options are geared towards students already admitted into their major program or who are eligible for upper division courses.
Next Week:

- **How to re-discover your confidence**
  - **What:** 1st & 2nd Year Student Event Series
  - **When:** Monday, October 30, 2023. 3 - 4 PM.
  - **Where:** Synchronous in-person (in the ESS suite - CENT 2080) and virtual via Zoom ([https://goto.unm.edu/esszoom](https://goto.unm.edu/esszoom))

  - **RSVP** ([HERE](https://goto.unm.edu/esszoom)) is not required but is preferred and is a great way to get a 1 week before and the day before reminders.
- **Lab safety matters!** - Join us for a 3 part series that will prepare you for lab work, or make you a more valuable lab mate. Attend, one, two, or all three*
  - **What:** Lab Safety Series
  - **When:** Every other Tuesday from 3:30 - 4:30 PM.
  - **Where:** Virtual via Zoom ([https://unm.zoom.us/j/94545196176](https://unm.zoom.us/j/94545196176))
  - **Topics** (Attend all 3 and earn a Lab Safety Certificate from Environmental Health & Safety):
    - 10/31/23 : Part 2 - Hierarchy of Controls & Basics of PPE
  - **Partners/Presenters:** Environmental Health & Safety
  - **RSVP is preferred** (for each session) but not required. RSVP will get you a calendar invite, and a week before and day before email reminder.
**COMING UP:**

- **Manage Your Time** - and the effects on stress and test anxiety.
  - **What:** 1st & 2nd Year Student Event Series
  - **When:** Thursday, November 9, 2023, 4 - 5 PM.
  - **Where:** Synchronous in-person (in the ESS suite - CENT 2080) and virtual via Zoom (https://goto.unm.edu/esszoom)

**Inclined Planes and Curved Surfaces, Reflection Symmetry, & Write a Rule** - In this workshop, students 1) focus on expanding and applying the knowledge learned in workshops 1-4 to shapes with inclined planes and curved surfaces. A full explanation of how orthographic and isometric views apply to such shapes is provided. Students then practice by building shapes with an inclined plane or curved surface and drawing the isometric views. Then they individually answer workbook problems. They also practice creating orthographic views for inclined planes and curved surfaces in an interactive Orthographic Telephone exercise. For additional explanation of these concepts, students also read and complete a software exercise. 2) explore the spatial visualization techniques of reflection and symmetry by building objects from cube blocks, defining a
reflection plane, and drawing the object before and after a reflection. And, 3) learn a new spatial visualization test-taking technique called “write a rule” and apply it, along with their pre-requisite knowledge gained during the previous workshops/lessons in this series (not required, but beneficial), to practice answering test problems.

- **What:** Spatial Visualization Series
- **When:** Wednesday, November 15, 2023. 4 - 5 PM.
- **Where:** In-person only - in the ESS suite Computer Pod - CENT 2080

- **Leadership in Engineering**
  - **What:** Career and Professional Development Event
  - **When:** Thursday, November 16, 2023. 4 - 5 PM.
  - **Where:** Synchronous in-person (in the ESS suite - CENT 2080) and virtual via Zoom (https://goto.unm.edu/esszoom)
  - **Partners/Presenters:** Lilian Casias, PhD Electrical engineering from UNM and Senior Engineer at Sandia National Laboratories
  - **More info:**
    - **Visit** https://ess.unm.edu/events > November for more information about Dr. Casias.
    - With an interactive presentation/conversation, Lilian will review the skills of an effective engineering leader with the audience throughout the session and will not dive into the specific details of program management but rather cover the broader skillset that can be applied to your engineering career. The skills addressed are:
      - Problem-solving
      - Collaboration/Teams
      - Diligence
      - Strategy
      - Communication
      - Emotional Intelligence
      - Creativity
      - Curiosity
      - Flexibility
  - **RSVP (HERE) is preferred but not required. RSVP will get you a calendar invite, and a week before and day before email reminder.**

Security research student Alex Adams will give a presentation about exploiting misconfigurations of the Google Authentication Toolkit in the wild. Learn about the Google Identity Toolkit API and common ways you might find it misconfigured. This talk will discuss
some methods to spot issues with websites in general, common tools used by hackers for web penetration, and then go into a specific example of gaining unauthorized access to a website.

Our space is limited to 16 people, so please RSVP to fpezzutidyer@unm.edu.

**Agenda:**
- Meet and greet
- Featured presentation “Breaking into websites using misconfigurations”
- Pitch ideas and recruit volunteers for future presentations

Each semester of the academic year, the Provost/Vice President for Academic Affairs presents an annual award to a staff member of the University of New Mexico who have demonstrated extraordinary kindness through service. View the previous recipients!

**Eligibility**
Regular & current non-faculty staff person or workgroup who has displayed extraordinary kindness to the Provost's units. Previously nominated staff may be nominated again, provided the nominee(s) are not a past recipient of the Kindness award. Beginning Fall 2023 past recipients of the award may be eligible again 5 years from the time they received the award. Current Provost's Committee for Staff members are not eligible for the award.

**Nominations**
Staff, faculty and students in the Provost's units may nominate any permanent, non-faculty staff member. Workgroups may also be nominated and include a workgroup that can be comprised of an office, department, division, or section. Self-nominations will not be accepted. Collaborative nominations for a single person/workgroup are highly encouraged. Please include the names of all nominators in the space provided.

**Selection Criteria**
Nominees or workgroups should demonstrate extraordinary achievement in one or more of the following areas:

- Demonstrate exceptional kindness and compassion
- Exemplify University values (Excellence; Access with Support to Succeed; Integrity; Diversity, Respectful Relationships; Freedom; and Sustainability) See more information about values here.

**Screening Process**
Members of the Provost's Committee for Staff will screen all nominees. The list of individuals and the workgroup is then forwarded to the Provost/Vice President of Academic Affairs for approval.

**Award**
An award plaque and a monetary award will be presented to the individual staff selected. The Provost's Committee for Staff and the Provost & Executive Vice President for Academic Affairs will present the awards during the Annual Outstanding Staff, Workgroup and Kindness Award Presentation Ceremony.

- **FREE International Undergraduate Online Research Symposium**

Are you currently involved in research or want to learn more about conducting research? Then UR Inspiration is for YOU!

The UR Inspiration symposium, on **Wed, 10/25 is a FREE ONLINE symposium**, specifically designed for undergraduates to enhance their research and presentation skills.

It is a bilingual, skill-building symposium open only to students from UNM, University of Arizona, Florida International University and select colleges in Argentina.
Register now to secure your spot to meet researchers, instructors, and students from institutions across the Americas.

Reach out to urad@unm.edu with any questions and we look forward to seeing you online on 10/25!

• Educause IT Experience Student Survey

The University of New Mexico’s IT department is partnering with Educause to conduct a comprehensive survey of students and faculty to gain valuable insights into their IT experiences. By partnering with Educause, UNM can compare our results with national benchmarks and results from peer institutions.

Because the questions in this survey are specific to the technologies that support teaching and learning, responses to this survey are limited to students and faculty. By engaging students and faculty directly through this survey, we aim to better understand the unique needs, challenges, and expectations for IT support and resources in a diverse academic community. We aspire to foster a culture of inclusivity and collaboration, where the voices of students and faculty from various backgrounds and disciplines are heard and valued.

The data gathered will enable us to tailor our IT services and solutions to meet the evolving demands of a dynamic educational environment. We believe that this partnership with Educause will not only help us identify areas for improvement but also strengthen our commitment to delivering high-quality, user-centric IT services that empower our students and faculty to excel in their academic pursuits.

If you receive a survey invitation from esurvey@unm.edu, you have been selected as part of a randomized sample of UNM students and faculty. We encourage your responses as an individual and as a selected representative of the student and faculty experience.

Don’t miss out on the Fall Suit Up Event!

It's twice a year. [https://career.unm.edu/](https://career.unm.edu/)

- **2024 Hertz Fellowship Applications**
  Open through October 27, 2023.
  [https://www.hertzfoundation.org/the-fellowship/apply-for-fellowship/](https://www.hertzfoundation.org/the-fellowship/apply-for-fellowship/)

  **What is the Hertz Fellowship?**

  The Hertz Fellowship empowers the nation’s most promising doctoral students in science and technology to pursue research that best advances our nation’s security and economic vitality. Hertz Fellows receive up to five years of funding, offering flexibility from the traditional constraints of graduate training and the independence needed to innovate. In addition to receiving financial support, Hertz Fellows join a multigenerational, intellectual community of peers, providing a unique engine for professional development and collaboration. (Eligible applicants must be US citizens or permanent residents.)

  **How can prospective applicants learn more about the Hertz Fellowship?**

  The Hertz Foundation held an [online information session](https://www.hertzfoundation.org/the-fellowship/apply-for-fellowship/) for prospective applicants, during which Hertz Fellowship Director Derek Haseltine and Hertz Fellows Nikhil Bhattasali, Bailey Flanigan, and Jane Wang discussed this unique doctoral funding opportunity and provided advice to help prepare your application. The resources below also provide additional information about the fellowship.

  We encourage you to share this email with students who have a broad understanding of science and technology, exceptional creativity, and a keen interest in applying innovative research toward strengthening our nation and impacting lives. I’ve also attached a graphic to publicize on social platforms

  If you have questions at any point, please do not hesitate to reach out, dhaseltine@hertzfoundation.org, or feel free to schedule a meeting with me to learn more.

- **GEM Fellowship applications are now open**
  gemfellowship.org/prospective. Deadline is the 2nd Friday in November.

  Organizations like GEM strive to provide equal opportunity for all! If anyone has questions about the fellowship, please reach out to Jerrod Ronquillo, a current SOE GEM Fellow at jarrodronquillo@unm.edu.

- 2023 Open Access Week at UNM

**UNM Open Access Week (October 23 – October 29, 2023)**

The University of New Mexico is participating in **International Open Access Week (October 23 – 29)**. International Open Access week celebrates the benefits of free, immediate, online access to scholarly research, and the right to use and re-use materials as needed.

A collaborative team consisting of the Health Sciences Library & Informatics Center, Law Library, and University Libraries has planned a week of speakers and workshops bringing awareness to open access and this year’s theme of community over commercialization.

UNM Open Access Week consists of in-person and online events throughout the week. For more information about OER and Open Access Week, visit [goto.unm.edu/oaweek](http://goto.unm.edu/oaweek).
University Libraries Workshops
The University Libraries are available to support you. Please see their front page here, and make use of the Subject Librarians, INLP, and CSWR programs: [https://library.unm.edu/](https://library.unm.edu/)
There is also an Undergraduate Research Exhibit in August: [Research Exhibit](https://library.unm.edu/)

Fall 2023 Honors College Wellness Series Events – Open to all
PROFESSIONAL WELLNESS
The Honors College is partnering with the Graduate Resource Center to provide students with information and critical insight into the world of graduate studies.
October 24th – (Panel) *What is the value of graduate school?*

**PHYSICAL WELLNESS**
Starting August 31, every Monday, Wednesday, and Thursday all University of New Mexico students, faculty and staff are welcome to join us at noon (12pm) for an hour of movement. We will be engaging in different types of activities to stimulate community and help students develop their Lobo identity. Grab your shoes, sunscreen, and your water bottle, and meet us at the Honors College Patio!

**ECONOMIC WELLNESS**
The Honors College is partnering with the Center for Financial Capability to help students strengthen their financial literacy.

November 14th - (Workshop) CFC *Tax Workshop*

**ARTISTIC WELLNESS**
These artistic wellness events are still being finalized. More information to come.

- **Introducing UNM TimelyCare**
  Remember that as a UNM student, you have access to free, 24/7 virtual health care services and support through [UNM TimelyCare](https://unm.timelycare.health), including on-demand medical care, mental health and emotional support, basic needs assistance, and health coaching. It’s another way of providing you with a wide range of resources that will help achieve a sense of well-being, live healthier lifestyles and improve mental health. But please don’t wait until you need it; [set up your account now](https://unm.timelycare.health), so the moment you *do* need services or support, you’ll be ready to go.

- **LoboEats** *(developed by one of our very own CS students)*
  [https://food.unm.edu/sustainability/lobo-eats/find-food.html](https://food.unm.edu/sustainability/lobo-eats/find-food.html)
  *You should start receiving notifications through the app after October 23rd.*

  LoboEats is a brand new app that enables UNM organizations and departments to post when they have free food available to share with other Lobos. LoboEats connects UNM students, faculty, and staff with organizations and departments that have leftover food from catered events. This app will help reduce food waste and aid food-insecure individuals within the campus community.

- **Lobo Food Pantry Fall Hours**
  *Food insecurity comes in many forms and impacts all aspects of your life*

  ~30-40% of UNM students are housing/food insecure, and ~50% are first generation.

  Please make sure you utilize the available resources like the Lobo Food Pantry and Student Guide tab resources: [http://goweb.unm.edu/studentguide/](http://goweb.unm.edu/studentguide/).
• **SHAC Workshops:**

   NO CHARGE! RSVP: [studentcounseling@unm.edu](mailto:studentcounseling@unm.edu)

   **Deadline to Register:** 1 Business Day Before Each Workshop

   For more Fall Workshops, see: [SHAC Workshop Webpage](#)

   Including...

• **Free confidential counseling**

   The UNM Counseling Program is excited to be offering free confidential counseling for children, adolescents, adults, couples, and families this semester on our UNM main campus clinic. This center is a training center for our advanced graduate students under supervision from our amazing UNM faculty and
licensed professional counselors. These sessions will last 50 minutes and allow clients to be seen each week throughout the Fall semester. These sessions will be video recorded for supervision purposes and stored in a secure HIPAA compliant space. Appointments are available on Monday, Tuesday, and Wednesday all the way until 7 pm.

Please call us at 505-277-7311 to complete a brief telephone screening to determine that our services are best for you. We look forward to hearing from you soon!

**Weekly UNM Nature Walks**
If you’ve never joined us before, Nature Walk is a weekly event hosted by the Museum of Southwestern Biology. **We meet every Friday at noon at the UNM Duck Pond** for an hour-ish walk around campus to explore the nature around us. Many times, this includes teaching newcomers how to use community science apps like iNaturalist and eBird (especially during BioBlitz time), but we've also done themed walks like duck anatomy illustration, turtle counts, an arboretum tour, edible plants, and more! Further details on our [event page](http://unm-bioblog.blogspot.com/).
