

We Are Student Success

ESS HOTLINE: 505-277-4354 | E-mail: ess@unm.edu | Website: ess.unm.edu

UNM is open for services, and so we are! We have shifted from in-person and on-site to right at your fingertips on-line services and support.

INFORMATION FOR CURRENT ENGINEERING & COMPUTER SCIENCE STUDENTS:

TUTORING: Effective March 24, 2020, tutoring services are available via Zoom. An updated online tutoring schedule (as well as direct access to the tutors) is available in our tutoring page: <https://ess.unm.edu/services/tutoring>. Please address any tutoring questions with our Tutor Coordinator/Success Facilitator at ess@unm.edu | 505-277-8701.

SCHOLARSHIPS: Information on internal (SOE-specific) and external scholarships is available online at <https://engineering.unm.edu/students/scholarships/index.html>. Students can inquire and apply online. Zoom, email, or phone consultations are available with our Scholarship Administrator, Elsa Maria Castillo at scholarships@unm.edu | 505-277-5064.

INTERNSHIPS: Students are encouraged to continue to apply and share their resumes with companies electronically. Companies will reach out as opportunities are available. Email or phone consultation will be available with Nada Abdelhack, our Internship Coordinator. Companies and students (current and potential interns) can contact Nada at nabdelha@unm.edu or 505-277-1403. Additional information: <https://ess.unm.edu/programs/current-students/jobs-and-internships>

CAREER DEVELOPMENT ACTIVITIES/COMPANY PRESENTATIONS: All in-person student career events have been cancelled until further notice. We are working with our company contacts to set up Webinar style events via Zoom (or the preferred company platform). For information about any ESS career activities or company visits contact the Internship Coordinator, Nada Abdelhack, at 505-277-1403 or the ESS Director, Elsa Maria Castillo at 505-277-5064 OR send an email to: ess@unm.edu.

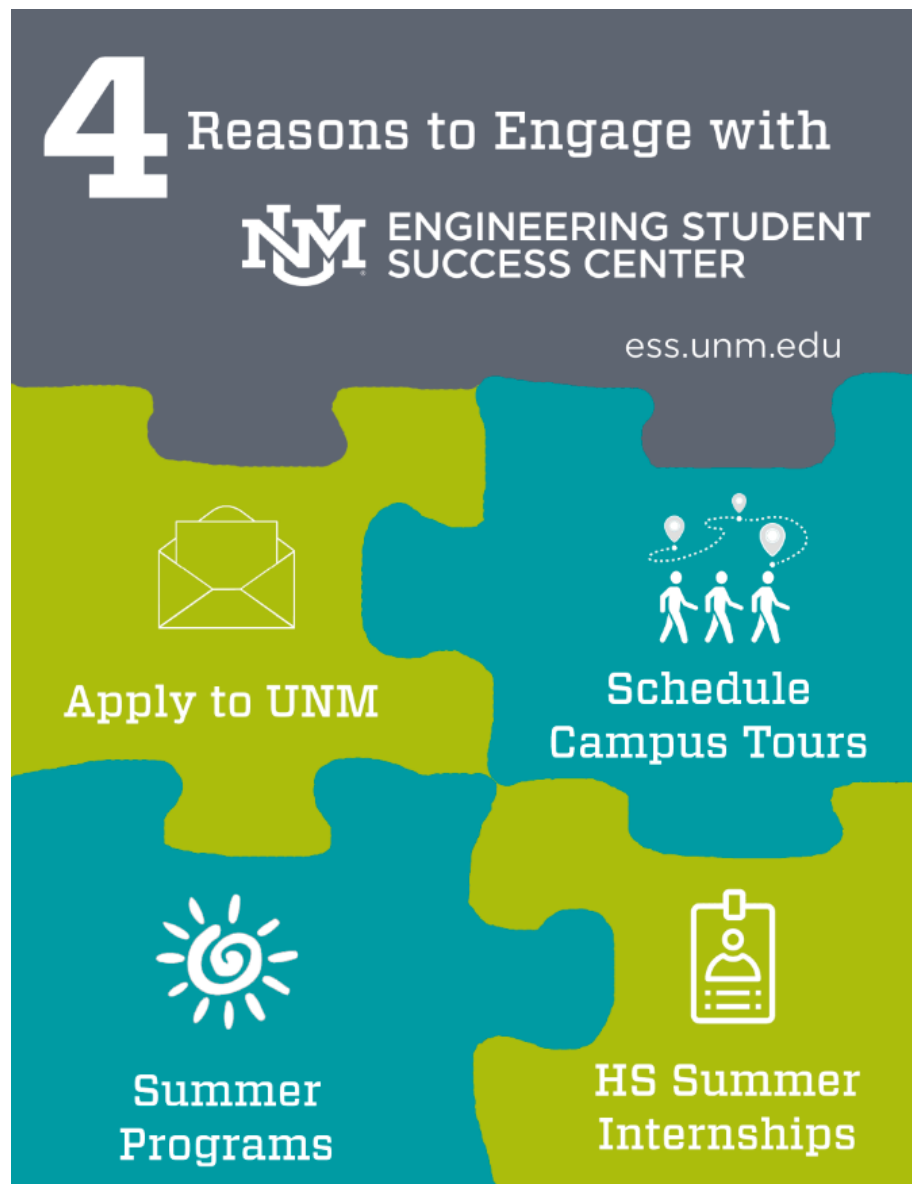

ACADEMIC SUCCESS WORKSHOPS: All academic success workshops for the remainder of the semester are now webinars and information on this webinars is available at: <https://ess.unm.edu/events/index.html>.
