

DEPARTMENT OF DEFENSE SECURITY CLEARANCE REQUIREMENTS

Many employees of CAE USA are required to hold a Personnel Security Clearance from the Department of Defense. As specified under the National Industrial Security Program, to be eligible for a security clearance the individual must meet certain adjudicative guidelines including the following:

- **Be a citizen on the United States and hold no other citizenship**
- **Satisfactorily complete a National Agency Check addressing**
 - Criminal history to include arrests and convictions
 - Financial history and delinquencies
- **Satisfactorily complete investigation by a Federal agency and personal interview**
 - Allegiance to the United States
 - Educational background
 - Employment background
 - Foreign activities, travel, and employment
 - Relatives and associates including citizenship
 - Illegal use of drugs or alcohol
 - General moral turpitude
- **The investigation is based upon the whole-person concept**
